

Rules

- Select a Flight: Choose a flight route from your current airport, considering carbon footprint (green), price (red), and time (blue).
- Pay for the Flight: Deduct the cost of the flight from your funds in the travel log table.
- Move Your Pawn: Move your pawn to the new destination airport.
- Record Your Journey: Log the flight details in your travel log table.
- Draw an Event Card: Follow the instructions on the drawn card, which may affect your journey or resources.
